Workshops, Speakers and Resources for people taking care of people with Alzheimer's Disease

Workshops, Speakers and Resources for Caregivers Presented by the North Shore Alzheimer's Partnership

For the 14th year, Alzheimer's Caregivers from across the North Shore come together to get new* information and strategies on caring for their loved one with Alzheimer's disease. Join us November 3rd for a morning of tools to help you. Onsite free respite provided, so you can bring your loved one with you!

Onsite Respite provided by Spectrum Adult Day Health Program and Virtual Dementia Tour provided by Right at Home
